MCDORMAN & ASSOCIATES, Vidor, Texas

1999 – Present

Management consulting firm serving retail automobile industry.

FOUNDER & PRINCIPAL CONSULTANT

Established and continuously operated consulting firm while overseeing operations of McDorman Motors through 2007 and taking on series of interim general management positions since 2008 with key clients including Martin Motors (below) and American Lift Aids (below). Provided expert help and advice to owners and operators of automotive dealerships as well as attorneys seeking assistance on automotive industry matters.

- Provide expertise spanning management leadership, financial planning, dealership acquisition, dealer-controlled loan portfolio analysis, operations control, training, consumer research, factory relationships, customer relationship management, HR, floor planning, business alliances, marketing/sales, and growth strategy.
- Continue support of NIADA and TIADA begun in the early 1990s, with active roles in trade show sponsorship, membership development, and education. Served as Vice Chair of NIADA Quality Dealer Council and as TIADA Vice-President-at-Large.
- Based on industry reputation and recognition as subject matter expert, deliver seminars and talks on diverse topics including automotive lending, legal/compliance issues, and ethics such as opening address at National Special Finance Conference.
- Help numerous clients deal with tough operational, legal, compliance, and customer satisfaction challenges.
- Write incisive, powerful business plans and pro formas that have yielded multiple offers of interim or permanent positions.

MARTIN MOTORS, Beaumont, and Nederland, Texas

2009 – Present

~\$9M two-location pre-owned auto dealer providing automobile sales, service, body shop, and towing services.

GENERAL MANAGER

Developed and executed business plan and pro forma for this business that had been under the same ownership for 37+ years, with the goal to increase sales averaging 15 cars monthly and boost profits. Reporting to the owner with P&L and budgetary responsibility for the entire operation, recruit, train, and oversee a staff of 20 direct/15+, indirect reports across all departments (Sales, Service, Body Shop, Dealer-Controlled Finance, Re-Insurance Operation, Indirect Lending, and Towing/Recovery/Storage Operation). Handle operational compliance and legal issues. Approve/collect/make repossession

decisions on dealer-controlled loans. Organize, audit, and negotiate insurance policies including Health, Workman's Comp, Property & Casualty, and Liability. Maintain/Renew all government agency licenses, permits, and bonds.

Brought direction, organizational and legal structure, controls, new programs, and two satellite locations to Martin Motors, driving 25% sales increase and market leadership in high-end pre-owned vehicles, with profitability exceeding 40%:

- Transformed corporate culture, departmentalizing in a wagon wheel structure ensuring each department knows, understands its purpose and is motivated to excel in an open dialogue environment with incentives and recognition.
- Decreased repo rate by 15% by instituting in-depth credit evaluation process, upgrading car quality, organizing reinsurance company offering extended service plans and gap insurance, and creating a department for insurance policy management.
- Initiated Extended Service Plan and Gap Protection programs to assist customers with mechanical and total loss claims while increasing average loan term and customer retention, providing company with added interest income (25%), insurance premiums, and warranty revenue, protection from balance deficiency write-offs, and fewer early loan payoffs. Results include:
 - Body Shop sales increase of 60%, Towing/Storage income increase of 80%, 25% Finance Charge revenue increase.
 - Increase in average customer loan liquidation term from 24 to 28 months.
 - Service department sales increase of 40%.
 - Repossessed customer insurance vehicle damage reimbursement increase of over 100%.
 - Decrease in customer insurance cancelation exceeding 60%.
- Developed Affiliated Risk Transfer Entity and Reinsurance Company allowing for tax structure changes that reduced tax liability by nearly 40%, saving company estimated \$110,000 per year in Federal Income Tax.
- Directed development of processes and sophisticated computer software to record, track, control, and monitor every aspect of operations, resulting in excellent rating in recent Enforcement Audit by Texas Department of Transportation.
- Reduced corporate interest and audit expense by 10% by demonstrating to bank extensive controls and processes in place.
- Organized legal entities for dealership's real estate holdings and various other assets; marketed/sold real estate holdings.
- Facilitated and organized estate planning for Dealer Principal.
- Formed Insurance Agency and gained Specialty Insurance License from the State of Texas for the dealership.
- Created Business Development Department to identify market weaknesses by surveying, tracking, auditing, and comparison of prospective customers shopping at dealership yet buying elsewhere, reducing missed sales by over 30%.

AMERICAN LIFT AIDS, Beaumont, and Tyler, Texas

2008 – 2009

Provider of mobility (handicap) vehicle and equipment sales, including full-line customization services to Beaumont and Tyler, Texas markets.

GENERAL MANAGER & COMPLIANCE DIRECTOR

Called in initially in consulting capacity to develop strategy for small Mom & Pop operation under same ownership over 25 years to take advantage of new Texas regulations allowing mobility customizing companies to market/sell vehicles to consumers, developed strategy for operational set-up and process to buy, enhance, sell, and finance customized vehicles for handicapped market. Having presented business plan and pro forma, accepted GM/Compliance position to execute it, with full P&L accountability and 10 direct/15 indirectly reporting staff.

Delivered astounding growth, increasing revenues over 40% and profits to 20% + while reducing expenses:

- Brokered loan for and moved Tyler facility to higher visibility location, and hired/trained sales, service, and repair teams.
- Established relationships with Federal and State disability service organizations, striking effective marketing partnerships.
- Transformed purchased vehicles into Mobility Vehicles successfully marketed to Handicapped individuals and their families.
- Designed lead-generating corporate website that remains in use unchanged today.
- Enabled 90% + closing rate on Mobility Vehicles with the development of effective marketing and customer follow-up plans.
- Further increased closing ratio through the creation of compelling displays and demo process.
- Developed surveys to identify sales patterns and deficiencies, and implemented controls to address them.
- Improved banking relationships to enable inventory purchases for 2 locations, leveraging detailed business and floor plans.
- Designed, developed, organized and implemented a corporate website for marketing mobility vans that remains in use today.
- Purchase new mobility inventory.
- Purchase pre-owned mobility inventory.
- Organize, license, permits sales process and financing of mobility vans.

MCDORMAN MOTORS, Vidor, Beaumont, Nederland, Winnie and Deer Park, Texas
Independent pre-owned automobile dealership.

1992 – 2007

PRINCIPAL PARTNER & GENERAL MANAGER

Purchased struggling used car lot under same owners 20 + years, selling 14-15 vehicles/month, incorporating it in 1992 as 1st Choice Auto Sales, LTD. In 1999 opened second location in Beaumont, TX under banner of McDorman Motors, LTD, and took operation to three locations in 2000 with opening of Nederland, TX operation. Maintain ownership interest in properties to date, while renting operations to other car retailers beginning in 2004 to devote full time to consulting practice.

Created/executed business plan, structure, and controls to grow at peak to one of Texas' largest independent pre-owned auto dealerships, with 5 locations, average \$6M inventory, ~186 employees, and 600+ wholesale/retail vehicles sold monthly:

- Diversified business to generate multiple revenue streams through vehicle sales and financing as well as new standalone enterprises including vehicle repair/maintenance facility, body shop, and towing and storage operation.
- Ranked first in sales of pre-owned vehicles across 3 counties at up to 600 + monthly, while ranking in top five lien holders, carrying some 1,400 loans with combined worth of ~\$15M and a loan issuance rate exceeding \$2M monthly.
- Drove major sales increases (ranked as one of state's largest independent used car dealers for 4 years running) with strategy sourcing upwards of 90% of inventory from trade-ins in large metro areas, increasing average sale size while helping ensure full-term loans and limiting repossessions with more reliable cars under 5 years old with 50,000 or fewer miles.
- Initiated Reinsurance Extended Service Plan and Gap Protection programs that assisted customers with mechanical and total loss claims while increasing average loan term and customer retention. Provided added interest income, insurance premiums, and warranty revenue, protected from balance deficiency write-offs and reduced early loan payoffs. Also offered Credit Life and Disability Coverage for all consumer finance purchases, generating additional insurance premiums and finance charges.
- Directed development of proprietary software providing comprehensive records and close financial control of every element of business, facilitating raising of capital. Included data on wholesale purchases, inventory control, retail sales, customer background/payment history, sales taxes, repossessions, mechanical expenses by unit, and repair/service expenses.
Personally presented introduction and review of these programs at request of TIADA officers Roy Carlson and Jacqueline Gill.
- Stipulated outstanding quality and customer service as top priority, including before and after sale state-of-the-art repair and body shop service, as well as continued communications to monitor customer satisfaction.
 - Nominated and voted Better Business Bureau of Southeast Texas Torch Award Finalist, voted 1st Runner Up, 2000.
 - Awarded Texas Independent Automobile Dealers Association *Quality Dealer of the Year* in 2000.
 - Recognized as **National** Independent Dealers Association *Quality Dealer of the Year* in 2001.
- Founded/chartered IDM Marketing Company with proprietary Identification Marketing Program leveraging state registration data to track buyers and would-be buyers and follow-up with letters and incentive restaurant coupons, yielding 86% survey returns. Provided valuable data on buying trends, market trends, sales shortcomings, price/financing issues, inventory shortages, location visibility, customer relations problems, etc. enabling proactive, ongoing addressing of issues.
- Created non-traditional advertising strategy rejecting hard sell and tasteless comedy typical of the industry for radio/TV spots aimed to position and sustain a quality image as a dealer that cares about its customers and offers exceptional value. The program yielded numerous comments to corporate and individual employees regarding their improved perception of the company.
